to redistrictingcommittee,

Hello,

I am writing to express my concern regarding the current map. As you know, it places Casten and Newman in the same district. I understand and support another Latino majority district, but according to the Chicago Sun Times, only 37% of the Latino population in District 3 is expected to vote. I am hoping that this is not the map we end up with and that we can still have another Latino majority district while having Casten and Newman in different districts.

Thank you for your consideration and hard work on this issue.

Emily

To be clear, I am 100 percent in support of another Latino majority district even if it means having casten and Newman in the same district but would love it if both could be accomplished.

I NEED YOUR HELP (and it's easy)...
I drafted an IL Congressional map that is FAR better than the latest from Springfield.

- 1) Doesn't combine Sean Casten & Marie Newman
- 2) Another true majority Latino district (3rd)
- 3) Leaves more of existing districts & geography intact (current 4th district and DuPage County)

PLEASE HELP AMPLIFY MY TWEET WITH THE NEW MAP!!!!

I submitted this map to the official committees but they haven't yet loaded it onto their website. Here's the map:
